Visit our website for more information  
[www.concretecanoemagazine.com](http://www.concretecanoemagazine.com)

The *Concrete Canoe Magazine* is now looking for papers to be published in its third edition. Articles featuring recent development in concrete mix design, molding, construction techniques or any topics related to the concrete canoe project will be considered for publication.

The *Concrete Canoe Magazine* is proud to offer a \$500 SCHOLARSHIP to the best paper submitted by a student. All students, undergraduate or graduate, are invited to submit a paper. You can also have several authors for the paper, but they must all be students to be eligible for the scholarship. When submitted, the paper will be analyzed by the reviewing committee and a decision will be taken. Following the committee's decision, the author(s) will be informed. If you are interested in submitting a paper for the scholarship, mention that you are interested and eligible for the scholarship in your e-mail and provide us with a proof of your student status.

**\$500 SCHOLARSHIP \$500**

CCM offers a \$500 scholarship for the **BEST PAPER** written by a **STUDENT**

Submit your paper now for the next issue to have the chance to be awarded !!!

**\$500 SCHOLARSHIP \$500**

## **Mission**

The *Concrete Canoe Magazine's* mission is to disseminate knowledge and recent development from concrete canoe teams and get students from different schools in touch through this amazing engineering challenge. It is also intended to share experiences from concrete canoe enthusiasts and former participants.

## **About**

The Concrete Canoe Magazine is published once a year to share developments on concrete canoe technology. The magazine is distributed in more than 4500 copies at regional and international competitions.

Topics cover all areas of concrete canoe technology such as shape design, structural analysis, concrete and composite design and optimization, canoe construction, oral presentation and design paper tips, training, etc. The publications committee and an ad-hoc technical advisory group will review and approve all material before publication.

## **Important dates**

Paper submission	October 15 <sup>th</sup> 2009
Acceptation and corrections	November 1 <sup>st</sup> 2009
Final manuscript submission	December 1 <sup>st</sup> 2009
Distribution at regional competitions	Spring 2010

## **Format Requirements**

The manuscript must follow the structure and requirements listed below.

1. Title
2. Author name and affiliations
3. Abstract
4. Main text
5. Conclusion
6. Acknowledgements
7. Autobiography text and photo
8. References
9. Tables
10. Figures

### *Typescript*

- 12 point Times New Roman font
- One column double space 8.5 x 11 in page text.

### *Units*

- All units should be in SI or both SI and English units.

### Figures and Tables

- Each table and figure must have a title and a number, referenced within the body of the main text.
- Place your tables and figures at the end of the manuscript.
- Please follow the example

**Table 1. Example of a table**

<b>Edition</b>	<b>Number of copies</b>
<b>2006</b>	4500
<b>2007</b>	6000

**Figure 1. Logo of the Concrete Canoe Magazine**

### References

To cite sources in the text, use the author-date method; list the last names of the authors, then the year. The formats are as follows: one author—(Smith 2004); two authors—(Smith and Jones 2004); three or more authors—(Smith et al. 2004). Prepare a reference section listing all references alphabetically by last name of the first author. For anonymous reports and standards, alphabetize by the issuing institution. Below are samples of properly formatted and complete references:

**Journals:** King S., Delatte N. J., *Reference Paper Title*, Reference journal Title. Vol. 1, No. 1, 2005, 54-61.

**Conference Proceedings and Symposia:** Fwa T. F., Liu S. B., Teng K. J., *Reference Paper Title*, Proc. Name of conference, City, Country, 2005, 29-38.

Include the sponsor of the conference or publisher of the proceedings, AND that entity's location— city and country.

**Books and Reports:** Feld J., Carper K., *Book Title*, Publisher, City, Country, year, number of page.

**Web Pages and On-line Material:** Burka L. P., *Reference Internet Title*, <http://www.concretecanoe.org>, 2003

**CD-ROM:** King S., Delatte N. J., *Reference Paper Title*, CD-Title (CD-Rom), Publisher, city, country, 2005

## How to submit material

Please e-mail article text, autobiography text, and caption text as a Microsoft Word document **and** PDF file. High-resolution digital images can be submitted via e-mail or disc. Images should be a minimum of 300 dpi, preferably sized at a minimum of 4 x 6 in. for general photos and at 1 ¼ x 1 ¾ in. for author photos. Line art should be TIFF, JPEG or EPS files. Color inkjet printouts or color copies of photos are not accepted as embedded graphics unless they are 300 dpi at 4 x 6 in.
